OUR CLIENT'S OBJECTIVE

Delivering comprehensive, often complex training to a diverse audience was the challenge faced by the Building Owners and Managers Association of BC.

CIRCLE LEARNING'S APPROACH

- **eEnergyTraining for Building Operators** - Using the LEARN™ platform building operators explore basic energy concepts through sophisticated large building system management strategies. Animation, video and case studies enhance the learning experience.

RESULTS

Working with the expertise of Prism Engineering, Circle developed an industry leading online program to provide building operators with practical training in energy management.
